

# These Roses

Gin Wigmore

I'll sing you a sweet song if you say to  
I'll write you the saddest of all words, rhymes and phrases  
I will be your everything and I'll try give you anything back but I

Cannot give you my love  
No I cannot give you my love

When I got fight in these roses  
I still can't be scared  
I got stones in my pockets  
I still can be shared  
I got you in my heart  
To make this all harder  
I will stay addicted to you  
I will stay addicted to you

Take me down to the garden  
Let me lay with you  
Hold my hand  
Don't let go  
If you feel like kissing me  
Do  
Now there's butterflies in me baby  
And I just don't know what to do  
You could stand up straight  
You could be the best of my dates  
But I still would not see you for I

Cannot give you my love  
No I cannot give you my love

When I got fight in these roses  
I still can't be scared  
I got stones in my pockets  
I still can be shared  
I got you in my heart  
To make this all harder  
I will stay addicted to you  
I will stay addicted

I'm a stones throw from heartache  
Hear me tumbling, crumbling down  
Is it too late  
To lose faith  
In everything working out right  
We can say forget  
Or forgive  
But I cannot do that to love

When I got fight in these roses  
I still can't be scared  
I got stones in my pockets  
I still can be shared  
I got you in my heart  
To make this all harder  
I will stay addicted to you  
I will stay addicted to you
