

Hey boy, do you want to get fresh ?
What would you say
If I kissed you right now
Would you turn and walk away
Or be asking me to stay
What would you do
If I told you a lie
Would you fall to you knees
Or be begging me please

Baby it's a matter of time
Can't you see what's on my mind

I want to get fresh with you Baby
I wana do all the things that turn you on
I want to get fresh, get a little closer
It feels so right
How can it be wrong tonight
Oh Baby

Yeah
If you take a look at the woman in me
I'm a natural thing and I'm wild and free
It's up to you, you can take it or leave it
My mind's made up and you better believe it

Baby we could have a good time
Just relax cause we've got tonight

Oh Baby
Oh oh oh wooh oh yeah
I, I, I want to get, want to get fresh
Oh oh oh wooh oh yeah
I, I, I want to get, want to get fresh
