

# Don't Give Up On Me

Gino Vannelli

Don't give up on me  
Don't you quit on me yet  
It's true we make each other cry  
But I'll take the tears over a kiss goodbye  
So baby don't give up  
Don't give up on hope

Try a little more trust  
Though our stars don't quite align  
When we make love see how they shine  
So baby don't give up  
Don't give up on us

We can run and we can hide  
Pretend that something died  
But our hearts won't be denied  
Try, try, as we may

So let's close our eyes  
Maybe to our sweet surprise  
Love will find a way

Don't give up on me  
Don't leave me sad and blue  
Though no one's game to stand down  
In time one of us might come around  
So don't give up on me  
And I won't give up on you, yeah, alright!  
...

Don't give up! Don't stand down!  
Don't let a little pain turn your head around  
Don't give up! Don't lose heart!  
Don't let a few words keep us apart  
...
