

Don't Give Up On Me

Gino Vannelli

Don't give up on me
Don't you quit on me yet
It's true we make each other cry
But I'll take the tears over a kiss goodbye
So baby don't give up
Don't give up on hope

Try a little more trust
Though our stars don't quite align
When we make love see how they shine
So baby don't give up
Don't give up on us

We can run and we can hide
Pretend that something died
But our hearts won't be denied
Try, try, as we may

So let's close our eyes
Maybe to our sweet surprise
Love will find a way

Don't give up on me
Don't leave me sad and blue
Though no one's game to stand down
In time one of us might come around
So don't give up on me
And I won't give up on you, yeah, alright!
...

Don't give up! Don't stand down!
Don't let a little pain turn your head around
Don't give up! Don't lose heart!
Don't let a few words keep us apart
