

Jack Miraculous

Gino Vannelli

My my my what a marvellous life
Wear your patent leather shoes
Gotta win and never lose
Oh then why oh why, oh Jack I cry
Save your life and flee today

Why why why such a glorious guy
Easy friends are easy foe
Who you never know
Oh then my oh my, oh Jack you'll die
Save your life and run away

What are my chances of living
If I were to stay close to you
Jack all this crime and no giving
I couldn't do for you

What are my chances of living
If I were to stay close to you
Jack all this crime and no giving
I couldn't see for me

What a life
Damn your patent leather shoes
Come the time to pay your dues
Oh then fly and fly dear Jack goodbye
Save your life and run away
Today
