

## Love & Emotion

Gino Vannelli

There's nowhere to run from the heat of the sun  
There's nowhere to hide from your face  
Black is the night, wont you show me the light  
The road only leads to one place  
For your love and emotion  
I promise you love till I die  
Faith as deep as the ocean  
Keeps me believin you're alive  
There's nowhere to run from the things that weve done  
There's nowhere to hide from the truth  
Something is wrong when my woman is gone  
My world aint no good without you  
For your love and affection  
I give you my soul for all time  
Faith as high as a mountain  
Keeps me believin you're mine  
Oh, oh  
Oh, oh  
For your love and emotion  
I promise you love till I die  
Faith as deep as the ocean  
Keeps me believin you're alive  
Oh, oh  
Oh, oh  
Oh (for your love and emotion), oh  
Oh (for your love and emotion), oh
