

The Last Dance

Gino Vannelli

Where do you go
When you're homeward bound
When the life you've planned
And the walls that stand
All come tumbling down
When the love of your life
Leaves you in the dark
When your sweetest dreams
Now it seems
Were doomed from the start

Forgive me if I failed you
I didn't mean it to be so
Say you'll grant me one more wish
Before you go

Can you give me one last dance
Once around the floor
Search inside your heart of hearts
Does love live there anymore

Can you give me one last chance
Let me whisper in your ear
Words of love in the light of hope
That tomorrow you'll be here

What breaks a heart
And the ties that bind
Lost romance
Or circumstance
Or simply life that's been unkind

Take my hand and bring us back
From the point of no return
And resurrect the fire
That once burned

Can you give me one last dance
Once around the floor
Search inside your heart of hearts
Does love live there anymore

Can you give me one last chance
Let me whisper in your ear
Words of love in the light of hope
That tomorrow you'll be here

Dance with me, till the sun lights up the sky
Is there a chance on earth this man is worth one more try
Search inside your heart of hearts
Does love live there anymore

Can you give me one last chance
Take away my tears
As my aching heart beats like a drum
I stand before you asking for just one last dance
