

# Total Stranger

Gino Vannelli

Is anybody out there?  
There's no knock on my door  
No one comes anymore  
To this island

Trapped on memory lane  
Caught in yesterdays rain  
In the silence

I have looked in your eye  
Calling your name out loud  
But you look right through me  
Like a ghost in a crowd

Just like a total stranger  
Behind those walls of stone  
I've been a missing person  
Location unknown

Living like a total stranger  
A nowhere man  
You see I couldn't get a listed number  
Living in a now man's land

Well did you take me for dead  
Did you know I still bled  
With desire

I keep on talking to you  
But the words don't come through  
On this wire

I'm a voice in the dark  
Crying out to the ghost  
So I reach out my hand  
Like a man overboard

Just like a total stranger  
Behind those walls of stone  
I've been a missing person  
Location unknown  
Living like a total stranger  
A nowhere man  
You see I couldn't get a listed number  
Living in a no man's land

I'm a voice in the dark  
Crying out to the ghost  
So I reach out my hand  
Like a man overboard

Just like a total stranger  
Behind those walls of stone  
I've been a missing person  
Location unknown

Living like a total stranger

Does anybody understand  
You see I couldn't get a listed number  
Living in a no man's land

Is anybody out there?  
Is anybody out there?  
Is anybody out there?
