

Love You More

Ginuwine

(I just don't know what else to say baby,
there's really nothing left to say,
there's really nothing more I can say,
but I love you, listen;
yeah...
I love you...
I love you...
listen)

Since you came inside my life
You've giving me the best of you everyday and night
I felt my happiness in you make me wanna ride
To the end of any valley
Then you give me piece of mind
You bring me comfort to my soul give me such a high
No I will never let you know
Make me wanna fly to the top of every rainbow

I love you more everyday
You show me love in every way
There's nothing left for me to say
But I love you
I love you more everyday
You show me love in every way
There's nothing left for me to say
But I love you

So promise you will never leave
You never say this is the end you'll spend your life with me
You'll be my wife and my best friend, raise a family
Something we both can treasure
Oh yeah
In the mean time
I'm gonna put in work
You gonna be fine
You never have to work
So won't you come and fly with me
Forever you and me
That's how it's suppose to be
I love you every

I won't stop loving you
And I won't stop kissing you
You're the reason why I smile
And I won't stop holding you
And I won't stop loving you
You're the reason why I smile

[Chorus]
