

She's Out of My Life

Ginuwine

After all we've done and after all we've been through, How could you leave me?
She's out of my life

She's out of my life, She's out of my life
And I don't know whether to laugh or cry
I don't know whether to live or die
And it cuts like a knife, she's out of my life

It's out of my hands, It's out of my hands
To think for two years, she was here
And I took her for granted, I was so cavalier
And the way that it stands
She's out of my hands

So I've learned that love's not possession
And I learned, Love won't wait
Now I've learned, that love needs expression
But I've learned too late
And she's...

Out of my life, She's out of my life
Damned in decision
And cursed in pride
I kept my love for her, locked deep inside
And the way that it stands
She's out of my hands

Damned in decision
And cursed in pride
I kept my love for her locked real deep inside
And it cuts like a knife, oh yes it does
She's out of my life

She's out of, my life....
