

Two Reasons I Cry

Ginuwine

Two reasons I cry
Cause my daddy's gone and my momma's gone
And I'm all alone - I'm so all alone
There are two reasons I cry
Cause my momma's gone and my daddy's gone
And my heart is torn - I'm so all alone
There are two reasons I cry
Cause my daddy's gone and my momma's gone
There are two

Daddy I miss you, it's hard to cope with my life
Didn't want to go on without you daddy (Still at night I cry)
I still can't understand why did you have to leave me
Why couldn't I just have seen all your pain - now I blame myself
I wouldn't wish this on my worst enemy, cause when your parents
Are gone it's hard to believe
That is part of life - that you must go on
They would want you to still be strong

Two reasons I cry
Cause my daddy's gone and my momma's gone
And I'm all alone - I'm so all alone
There are two reasons I cry
Cause my momma's gone and my daddy's gone
And my heart is torn - I'm so all alone
There are two reasons I cry
Cause my daddy's gone and my momma's gone
There are two

Momma when you left, felt like my soul had gone
I still remember the day, had no words to say my heart was gone
(Still at night I cry)
You were the reason I lived, you gave me life that was pure
Always kept me so sure of everything - I miss you so
I looked down on you and no one ever knew I almost took my life
So I could be with you - I miss you so, one could never know
And I am lost and I'm feelin' so alone

Two reasons I cry
Cause my daddy's gone and my momma's gone
And I'm all alone - I'm so all alone
There are two reasons I cry
Cause my momma's gone and my daddy's gone
And my heart is torn - I'm so all alone
There are two reasons I cry
Cause my daddy's gone and my momma's gone
There are two
