

# What's So Different?

Ginuwine

What's so different? (Uh huh)  
Baby (Say what?)  
What's so different? (Uh huh)  
Yeah (Bom, bom, bom, bom yeah)  
If you cheated on him  
How I know you ain't gonna do it to me?  
(Can you feel this? Bom bom bom bom, yeah)  
I need to tell you something  
Check this out  
(Uh, Ginuwine, check)

You say you love me.  
But at one time you loved him  
So what's so different?  
Tell me if you, were in my shoes  
What would you do or think of me?  
Would you trust me?

But you feedin' me, All this rap about,  
How it's different  
But it's not mentioned what you're doin' is wicked.  
Now I'm having, second thoughts about,  
You and me, cause this is not how I want it or it should be.

You say you want my trust and  
Told me you were leavin'.  
How am I to know that you won't do it to me?  
You're tellin' me it's different  
But what the hell is different  
If you cheated on him you'll do it to me.

You're creepin' on him for me,  
But you say just trust me.  
How am I to know that you won't do it to me?  
You're tellin' me it's different  
But what the hell is different  
If you cheated on him you'll do it to me.

(Check this out)  
Like the saying goes, you reap what you sow  
And what goes around comes back around  
To you five times harder  
And I'm pretty sure,  
That he's thinkin'  
That you're totally his, but you're here in my my rimmed up drop top with me  
All hugged up,  
And all over me  
Kissin' all of me  
Is that to get me where you want me to be?  
Don't want this  
To happen to me.  
So I'll drop you off, go back to your man  
Cause really, this ain't me.

Baby, uh uh uh, uh uh uh (Say what?)  
Uh uh uh (Can ya feel me?)  
Uh uh uh (Can ya feel me?)

Uh uh uh (Can ya feel me?)  
(Can ya feel me? Can ya feel me?)  
(Can ya feel me? Can ya feel me?)

(Uh, ya see?)  
Don't tell him baby  
(You don' went too far now, baby)  
You won't do this shit to me  
(Yo G, bring the bridge in)

Baby tell me one thing  
How could you do it?  
What did he do to you?  
Does he know he blew it?

Or is it just that  
You wanna get even  
Baby, if that's not it  
Please tell me the reason  
(Tell me, tell me)

I just don't wanna  
Get caught up in drama  
If you don't want him  
Just tell him, don't cheat on him  
(What?)

If you don't tell him  
Me and you can't be  
Cause tell me how I'll know  
You won't do that shit to me?  
(Not to me baby)  
You would do it to me

[Repeat chorus until fade]
