

# Why Not Me

Ginuwine

Why not me  
Is that I'm too ghetto for you  
Why not me  
Girl there's nothing I won't cop for you  
Why not me  
I'm here to give you all you dreams  
I'm dedicated  
No time wasting  
I'll fulfill your every need

It ain't a thang  
I'm far from lame  
Girl it's all to the good  
Your by yourself  
I'm all alone and we're both from the hood  
You're playing hard to get now  
That's probably why you're by yourself now  
But I caught your eye when you walked by  
And you persist to try to entertain  
All of them thing that you probably just heard  
None of it's true and that' my word  
Baby don't believe a thing you hear  
The haters are always on my back now  
But you feel me and this I know  
So won't you just let go  
Tell me why

Why not me  
Is that I'm too ghetto for you  
Why not me  
Girl there's nothing I won't cop for you  
Why not me  
I'm here to give you all you dreams  
I'm dedicated  
No time wasting  
I'll fulfill your every need

I'd like o think that I am a good guy so tell me why  
Not me  
Can't blame you though if all you're ex-  
Boyfriends did you shady  
But don't take that out on me girl  
Oops I got to take it back it's your world  
Baby I'm just that guy I'll show you why  
If you just give me one try  
I'm telling you I don't get down like that

Can't play the role  
Or play myself  
I just got to get in that's for sure  
Got a little money  
I spit game to the honeys  
But your all a nigga needs  
I won't give you chicken feed

Why not me  
Is that I'm too ghetto for you

Why not me  
Girl there's nothing I won't cop for you  
Why not me  
I'm here to give you all you dreams  
I'm dedicated  
No time wasting  
I'll fulfill your every need

You should tell me something, something  
Can't imagine me just wanting  
Put your cards out on the table  
Baby I'm willing and able  
Picture that me dippin on you  
What the use if I'm up on ya  
I'm the one you searched so long for  
Give me one chance you'll want no more

Why not me  
Is that I'm too ghetto for you  
Why not me  
Girl there's nothing I won't cop for you  
Why not me  
I'm here to give you all you dreams  
I'm dedicated  
No time wasting  
I'll fulfill your every need
