

## Why We're Fighting

Ginuwine

If I say that I love you, girl I really mean it  
You won't be mistreated, so why you wanna trip  
I know that I cheated but that won't be repeated  
Girl you won't believe it 'cause my love is true.  
And I'm sure that, that you're hurt  
Don't deserve the kind of things that I put you through  
Let me show you baby what you worth  
More than these chicks running around girl,  
I'll prove it to you girl.

I don't wanna fight and I don't wanna fuss  
I just wanna kiss ya and just make love,  
When I touch you like this and I touch you like that,  
You gon' forget, gon' forget, gon' forget what we're fighting.  
'Cause I don't wanna scream, don't feel like I gotta cuss  
Baby let me kiss ya so we can make love,  
When I touch you like this and I touch you like that,  
You gon' forget, gon' forget, gon' forget what we're fighting for

Hold up for my heartbeat, baby are you listening,  
Without it I ain't right, it's like learning to ride a bike  
Never forget, it never slips  
And if you fall you get back up and dust the dirt right off  
And I'm sure that, that you're hurt  
Don't deserve the kind of things that I put you through  
Let me show you baby what you worth  
More than these chicks running around girl,  
I'll prove it to you girl.

I don't wanna fight and I don't wanna fuss  
I just wanna kiss ya and just make love,  
When I touch you like this and I touch you like that,  
You gon' forget, gon' forget, gon' forget what we're fighting.  
'Cause I don't wanna scream, don't feel like I gotta cuss  
Baby let me kiss ya so we can make love,  
When I touch you like this and I touch you like that,  
You gon' forget, gon' forget, gon' forget what we're fighting for

Girl this house is not a home  
If you ain't here with me, ain't rockin' with me  
I just can't let you go,  
I don't wanna fight no more, girl I can't let you go  
This house is not a home  
If you ain't here with me, ain't rockin' with me  
I just can't let you go, baby  
I don't wanna fight no more, girl I can't let you go.

I don't wanna fight and I don't wanna fuss  
I just wanna kiss ya and just make love,  
When I touch you like this and I touch you like that,  
You gon' forget, gon' forget, gon' forget what we're fighting.  
'Cause I don't wanna scream, don't feel like I gotta cuss  
Baby let me kiss ya so we can make love,  
When I touch you like this and I touch you like that,  
You gon' forget, gon' forget, gon' forget what we're fighting for

Hey, hey, oh, oh

I say hey, say hey, oh, oh  
Gon' forget baby, gon' forget.
