You say Oh baby boy you've grown up with your toys and now your

're
blushing.

Oh I feel so alive for the first time. All of these faces yet
nothing's the same Alice in her land your soul mate it's sane.
You are not
waiting you are not waiting you are not waiting
for.

You

I want to
get close to you and make sure we're falling.
Back down to the eyes are blue

All of these faces yet nothing's the
same Alice in her land your soul mate it's sane.

your toys. Oh oh
