

One Eyed Fool

Girl in a Coma

Well you're the one eyed fool, you are the one I love
And I will tell you secrets that will always change
Story of one eyed girl meeting the one eyed boy
They dance on stars and fly on vibes and scream on trains
But wait
And hey,
What would you say
If I start running away?

Whoah oh
Oh oh
Whoah oh
Oh oh
Oooohhh

Well you're the one eyed fool, you are the one I love
And I will tell you secrets that will always change
Don't you say?
For every one eyed girl and hopeless one eyed boy
To dance on stars and fly on vibes and scream on trains
But wait
And hey,
What would you say
If I start running away?

You are the one eyed fool
And I will try to be so cool
So cool
And I will make you weep
When I just knock you off your feet

Whoah oh
Oh oh
Whoah oh
Oh oh
Whoah oh
Oh oh
Whoah oh
Oh oh

And hey,
What would you say
If I start running away?
Oh
And hey,
What would you say
If I start running away
Oh
