### Girl in a Coma

She won't mind they always said a women's touch can cure no man  
in beauty lies a sticky game without your words you are nothing  
Sybil vane was ill  
and she knows now that shes falling and she will say to you i'll  
l better prove myself  
try to hide all your sins write a letter to make ammends  
but shes not that tough to let you roam around her  
she is gone...but you. you are the greyest of them all  
yeah you...your boastful tounge has bit them all  
and after all was said and done the pleasure was all yours to r  
un you dragged her down and said oh you are such a fool where's  
your stamina at?she says it's lost in you you showed her life  
beyond acts and now she lusts for you  
oh there was no fair warning no there was no fair warning but h  
er heart it just stopped and you grow weary of nites crawling  
deep into your breathless eyes made you soon realize that sybil  
vane she spoke no lies
