

Leave You Alone

Girlicious

You Keep Trippin'
I feel like I keep slippin'
I don't wanna be bitchin'
I think I might as well
Leave you alone

Get Steppin'
What is it you ain't gettin'
And I don't know where you're headed
But yo I might as well
Leave you alone

I'm going out of my mind and
And You keep tellin' me lies and
I'm such a fool for thinkin' you were all mine
My head's all twisted and it's driving me crazy

You Keep Trippin'
I feel like I keep slippin'
I don't wanna be bitchin'
I think I might as well
Leave you alone

Get Steppin'
What is it you ain't gettin'
And I don't know where you're headed
But yo I might as well
Leave you alone
