

Like Me

Girlicious

Lady's and gentlemens
You do, you do
You do, you do
You do, then keep on watching me

You do, you do
You do, you do
You do, then keep on watching me

Look at me, I know I'm fly
Look at me, you wanna be fly like I
I'm the truth and the truth don't lie
(Gimme 10 feet chick) Now add another 5

If I had a stiff one
You'd be all on that (I'm on fire)
I put hot on the map
'Cause I be the one that you wanna be like
Yeah you wanna be like me

Everything she do is like me
From her head to her feet, like me
She's trying to talk like me
Trying to walk like me
Trying to get all the boys in the club like me

Everything she be is like me
Trying to imitate me
She trying to look like me
Trying to act like me
Trying to get on the floor and shake her ass like me

Look at me, you know I'm hot (Know I'm hot)
Look at me, bet you wish you had my spot

You can't, chick, but I'mma let you try

To get on my level, level, get on my level tonight

If I had a stiff one
You'd be all on that
I put hot on the map
'Cause I be the one that you wanna be like (Oh, oh, oh, oh)
Yeah you wanna be like me

Everything she do is like me (Like me)
From her head to her feet, like me
She's trying to talk like me
Trying to walk like me
Trying to get all the boys in the club like me

Everything she be is like me (Like me, woah)
Trying to imitate me
She trying to look like me
Trying to act like me
Trying to get on the floor and shake her ass like me

Ah, ah
She wish she was fine
Ah, ah
She wish she was fine like me
'Cause I'm a hottie and this a party
She wish she was me and that's too bad

Oh
She wish she was bad
Oh
She wish she that she has all the boys like me
It ain't easy being easy baby

Everything she do is like me (Everything she do)
From her head to her feet, like me (Oh yeah)
She's trying to talk like me
Trying to walk like me
Trying to get all the boys in the club like me

Everything she be is like me (Like me, like me, like me)
Trying to imitate me
She trying to look like me
Trying to act like me
Trying to get on the floor and shake her ass like me

Ah, ah
She wish she was fine
Ah, ah
She wish she was fine like me
'Cause I'm a hottie and this a party
She wish she was me and that's too bad

You do, you do
You do, you do
You do, then keep on watching me

You do, you do
You do, you do
You do, then keep on watching me

Oh
