

Maniac

Girlicious

Lock me up, lock me up, lock me up up up
Lock me up, lock me up, lock me up up up

I got a love disorder sick from paranoia
Cause my hearts been broken before ya
I need some anesthetic cause I start to panic
When the feelings get too familiar

And then I get that itch and my eyes begin to twitch
Dr. Jekyll Mrs. Hyde
Someone is taking over

The walls are shaking and I'm paranoid
Can someone stop the noise in my head
Wow-Oh-Wow-Oh
The clock is ticking I'm about to crack
Just like a maniac on the eh-edge

No-Oh-Wow-O-Wow-Uh-Oh-Oh-Wow-O-Uh-Oh-Oh-Wow-Oh-Wow-Uh-Oh, A Maniac
No-Oh-Wow-O-Wow-Uh-Oh-Oh-Wow-O-Uh-Oh-Oh-Wow-Oh-Wow-Uh-Oh, A Maniac

Psycho-logic could be schizophrenic
But all I know is I don't remember
Where they took my feelings, I still mend the whispers
Is it cold cause I got the shivers

Cant feel my finger tips, seeing things that don't exist
Dr. Jekyll Mrs. Hyde
Which one is taking over

The walls are shaking and I'm paranoid
Can someone stop the noise in my head
Wow-Oh-Wow-Oh
The clock is ticking I'm about to crack
Just like a maniac on the eh-eh-eh-edge

No-Oh-Wow-O-Wow-Uh-Oh-Oh-Wow-O-Uh-Oh-Oh-Wow-Oh-Wow-Uh-Oh, A Maniac
No-Oh-Wow-O-Wow-Uh-Oh-Oh-Wow-O-Uh-Oh-Oh-Wow-Oh-Wow-Uh-Oh, A Maniac

Wah, Wah, Wah, Wah

Blah, Blah, Blah, Blah
