Girlicious

Oh  
Don't know who I am no more  
For you I try to change  
Keep messing with my head  
Wanna be myself instead  
It has been too hard on us (on us)  
Though we were so in love, but I was wrong  
You didn't want what I wanted and I've had enough

Had enough of playing games,  
The lies you said  
The reason why I'm must let go,  
The things you put me through  
You may never know

I don't know why it is taking all of this time  
You are the reason why I cry  
Now I know why I can't see

I can't see the girl you want me to be  
When I look in the mirror  
(When I look in the mirror)  
You don't know what you want to believe  
I've got to be me,  
Cause what you want isn't me,  
In the mirror

You say me love me but,  
I think you see someone else  
Always reminding me  
That I'm not perfect enough for you, boy  
I deserve so much more  
I can't keep you happy if I ain't happy myself  
Oh yeah yeah yeah

Had enough of playing games,  
The lies you said  
The reason why I'm must let go,  
The things you put me through  
You may never know

I don't know why it is taking all of this time  
You are the reason why I cry  
Now I know why I can't see

I can't see the girl you want me to be  
When I look in the mirror  
(When I look in the mirror)  
You don't know what you want to believe  
I've got to be me,  
Cause what you want isn't me,  
In the mirror

I wanna love someone,  
Who loves me for,  
For me, yeah  
For me, yeah

I want to love someone,  
Who loves me for,  
For me,  
I can't see the girl, no

I can't see the girl you want me to be  
When I look in the mirror  
(When I look in the mirror)  
You don't know what you want to believe  
I've got to be me,  
Cause what you want isn't me,  
In the mirror

I can't see the girl you want me to be  
When I look in the mirror  
(When I look in the mirror)  
You don't know what you want to believe  
I've got to be me,  
Cause what you want isn't me,  
In the mirror
