

Over You

Girlicious

Find someone new
I'm over you
I'm over you
I'm over you
I'm over you

I don't care what you say, cause I got all your letters, they're thrown away
I gave my ring back boy and I'm ready to say now its me and my girls, we're
lookin' to play
I don't care if I ever see your face again, I'll be alright
I'm done playing with games, I ain't waitin no more
Boy, I'm out that door

Don't call me anymore
Ain't gonna be your toy
Don't call me anymore
No more texting me or sexing me
Never gonna be no more
Ain't gonna be your toy
Never gonna be, no more
Better find someone new, cause I'm over you
Oh, uh, oh, oh, oh, oh uh
Find someone new, cause I'm over you
Oh, uh, oh, oh, oh, oh, uh
Find someone new, cause I'm over you

Your not gonna fool me boy, I've been there before not opening that door.
I caught you with that girl and there's nothing to say.
It's to late baby, you've thrown it away
You're not ever gonna hold me close to you again, don't you even try
I'm through being with you I'm not your girl anymore
Boy, I'm out that door

Don't call me anymore
Ain't gonna be your toy
Don't call me anymore
No more texting me or sexing me
Never gonna be no more
Ain't gonna be your toy
Never gonna be, no more
Better find someone new, cause I'm over you

Don't call me anymore
Ain't gonna be your toy
Don't call me anymore
No more texting me or sexing me
Never gonna be no more
Ain't gonna be your toy
Never gonna be, no more
Better find someone new, cause I'm over you.
Oh, uh, oh, oh, oh, oh uh
Find someone new, cause I'm over you
Oh, uh, oh, oh, oh, oh, uh
Find someone new, cause I'm over you

You're not ever gonna hold me close to you again, don't you even try
I'm through being with you, I ain't your girl anymore

Boy, I'm out that door

Don't call me anymore

Ain't gonna be your toy

Don't call me anymore

No more texting me or sexing me

Never gonna be no more

Ain't gonna be your toy

Never gonna be, no more

You better find someone else, cause I'm over you

I'm over you, I'm over you

I'm over you, I'm over you

Find someone new, cause I'm over you

Find someone new, cause I'm over you

Find someone new

I'm over you, I'm over you, I'm over you

Uh, huh, uh, over you
