

Problem

Girlicious

If you tell me something
Did your own thing
Now your causing trouble oh ya
Telling me you catching feelings
Kind of unusual
Telling me your my one woman
Never seen this side of you
I'll admit you had me going
Thinking this was your move
Till I seen her on your arm
Kissing you
Now your bridge is burned

Ha ha ha ha
I guess somthing wrong about him
Ha ha ha ha
Looks like now I got a problem

'cause I got a faker on my hand
I got a real jabba on my hand
I got a faker on my hands
And I got a liar in my hands

Ha ha ha ha
It looks like I just got a problem
Ha ha ha ha
It looks like I just got a problem
