

Wake Up

Girlicious

Should've said goodbye, everytime that I cry
I just couldn't find my way to the door
Should've realized or pretend that I'm lying
When I knew it wasn't working no more

I use to be without you, there was no meaning
Suffocate myself to the point I can't breathe in
Caught up in your trap, wishing I could just sleep in
So I gotta let go, just a bad dream

Should've yelled wake up, this time I ain't about me
Let's see how you'll do without me
Breaking out your prison and now I'm free, I'm free
You ain't gonna hold me down, you ain't gonna hold me down
You ain't gonna hold me down anymore
You ain't gonna hold me down, you ain't gonna hold me down
You ain't gonna hold me down anymore

Always at your side everytime we collide
Gotta surrender the wall
Cause I was on your side when I do or die
But I can't take anymore

I use to be without you, there was no meaning
Suffocate myself to the point I can't breathe in
Caught up in your trap, wishing I could just sleep in
So I gotta let go, just a bad dream

Should've yelled wake up, this time I ain't about me
Let's see how you'll do without me
Breaking out your prison and now I'm free, I'm free
You ain't gonna hold me down, you ain't gonna hold me down
You ain't gonna hold me down anymore
You ain't gonna hold me down, you ain't gonna hold me down
You ain't gonna hold me down anymore

I was scared of letting go, boy, can't this no more
And now I finally know I'm better off on my own
This ain't what love supposed to be

Should've yelled wake up, this time I ain't about me
Let's see how you'll do without me
Breaking out your prison and now I'm free, I'm free
You ain't gonna hold me down, you ain't gonna hold me down
You ain't gonna hold me down anymore
You ain't gonna hold me down, you ain't gonna hold me down
You ain't gonna hold me down anymore
You ain't gonna hold me down, you ain't gonna hold me down
You ain't gonna hold me down anymore
