

## All I Need

Girls Aloud

Talk smooth, play rough  
You're calling my bluff  
Empty, you're too much  
But not quite enough

And you want me  
And you're getting me  
And you want me  
And you're getting me

(Ahhh) You're all I need, all I don't  
(Ahhh) All I need, all I don't

Old lie, but I knew  
Just what you were up to  
Feel false, it's not true  
I hate to love you

And you want me  
And you're getting me  
And you want me  
And you're getting me

(Ahhh) You're all I need, all I don't  
(Ahhh) All I need, all I  
(Ahhh) You're all I need, all I don't  
(Ahhh) All I need, all I don't

Oh, oh, all I don't  
And you want me  
And you're getting me  
And you want me

(Ahhh) You're all I need, all I don't  
(Ahhh) All I need, all I  
(Ahhh) You're all I need, all I don't  
(Ahhh) All I need, all I don't

All I need, all I don't  
You're all that I don't need, you're all that I don't need  
All I need, all I don't  
Ooo woah, ooo woah  
All I need, all I don't
