

Alright

Girls

Cause baby you are breaking my heart
Baby I've been calling your name
All this back and forth
It's driving my completely insane

Oh
Yeah yeah yeah
Oh
No no no
Alright

I don't want to hurt anymore
I don't want to drive you away
You're the love of my life
But you're driving me completely insane

Oh
Yeah yeah yeah
Oh
No no no
Alright
