## Darling

I was feeling so sad and alone But I found a friend in the song that I'm singing I was feeling like a nothing inside Then I found it all in the song

And yeah, yeah, yeah It's coming straight from my heart And yeah, yeah, yeah I gotta let it go

Yeah, yeah, yeah

Man, I felt like I was going nowhere Then I found my way in the song I was singing Man, I felt like I could lay down and die Then I found my life in the song

And yeah, yeah, yeah It's coming straight from my heart And yeah, yeah, yeah I gotta let it go

Yeah, yeah, yeah
