

## Lust for Life

Girls

I wish I had a boyfriend  
I wish I had a loving man in my life  
I wish I had a father  
Maybe then I would've turned out right

But now I'm just crazy  
I'm totally mad  
Yeah I'm just crazy  
I'm fucked in the head

Maybe if I really tried with all of my heart  
Then I can make a brand new start  
In love with you

I wish I had a suntan  
I wish I had a pizza and a bottle of wine  
I wish I had a beach house  
And we can make a big fire every night

Instead I'm just crazy  
I'm totally mad  
Yeah I'm just crazy  
I'm fucked in the head

Maybe if I really tried with all of my heart  
Then I can make a brand new start  
In love with you

Come on, come on, come on, Kayla
