

Lust for Life

Girls

I wish I had a boyfriend
I wish I had a loving man in my life
I wish I had a father
Maybe then I would've turned out right

But now I'm just crazy
I'm totally mad
Yeah I'm just crazy
I'm fucked in the head

Maybe if I really tried with all of my heart
Then I can make a brand new start
In love with you

I wish I had a suntan
I wish I had a pizza and a bottle of wine
I wish I had a beach house
And we can make a big fire every night

Instead I'm just crazy
I'm totally mad
Yeah I'm just crazy
I'm fucked in the head

Maybe if I really tried with all of my heart
Then I can make a brand new start
In love with you

Come on, come on, come on, Kayla
