

Oh Boy

Girls

tears on my telephone
salt in my mouth
hate in my heart baby
spinning me out

drivin' me crazy
oh boy
dreamin' of you

wish i was someone
oh boy
that you can love too

feet on the ground
sun in the sky
everything's cool
i just wish i knew why
i feel so alone
oh boy
when im not with you

i love you so much
oh boy
i wish i was you
