

Nights I spend alone  
I spend 'em running 'round looking for you, baby  
Nights I spend alone  
I spend 'em running 'round looking for you, baby

Looking for love  
Looking for love  
Looking for love  
Looking for love

Nights I spend alone  
I spend 'em running 'round looking for you, baby  
Nights I spend alone  
I spend 'em running 'round and 'round and 'round and 'round  
And 'round and 'round and 'round and 'round  
And down and down and down and down and down

Nights I spend alone  
I spend 'em running 'round looking for you, baby  
Nights I spend alone  
I spend 'em running 'round looking for you, baby

Looking for love  
Looking for love  
Looking for love  
Looking for love

'Cause there's something that I get from myself  
And there's something that you give to me  
Well, I got one  
Without the other, well, it's not enough to be  
I need your love

Come into my heart  
Come into my heart  
Come into my heart  
My love  
Come into my heart  
Come into my heart  
Come into my heart  
My love  
Come into my heart  
Come into my heart  
Come into my heart (come into my heart)  
My love
