Girlschool

I don't care if it takes all night  
I'm gonna make you realize  
There's nothing in a tender touch  
Or behind the love stained eyes

So you wanna  
You wanna stay tonight  
You know I'm gonna  
I'm gonna make you all right

Breakdown, I'll breakdown  
Breakdown, I'll breakdown  
Breakdown, you gonna breakdown

I'm gonna make you understand  
That I've seen it all before  
I twist your mind and break your heart  
And you still come back for more

So you wanna  
Wanna stay tonight  
You know I'm gonna  
I'm gonna make you all right

Breakdown, I'll breakdown  
You gonna breakdown  
I'll breakdown, breakdown  
You gonna breakdown

So you wanna  
Gonna, gonna  
Play your motion

So you wanna  
You wanna stay tonight  
You know I'm gonna  
Gonna, gonna make you all right

Breakdown, I'll breakdown  
You gonna breakdown  
You gonna breakdown  
You gonna breakdown  
You gonna breakdown

Oh...  
Breakdown  
Breakdown
