## C'mon Let's Go

Girlschool

Let's Go!

Speeding down the motorway Let slow life pass us by Another mile another day Get some action in our lives

We're on our way Living for today

C'mon let's go (Let go!) 3x Let go!

Engines screaming red hot rage We're gonna reach an all time high Speed crazed racer rip my mind 'Cause you know you're gonna hit the sky

We make our move And you know we'll never lose

C'mon let's go (Let go!) 3x Let go!

We're on our way Living for today

We make our move And you know we'll never lose

C'mon let's go (Let go!) 4x

C'mon let's go (Let go hey!) 3x

Let's go!
