

Can't Do That

Girlschool

Everybody's got something to hide
But I can read your mind, you're not on our side
Changing lies into fact
But one day soon you'll be caught in the act

Caught in the act,
It's a matter of fact
Oh yeah!
'Cos oh no, no
You can't do that
No, no
You can't do that

Tick tock I was watching the clock
Can't eat, can't sleep, it's just got to stop
You talk so loud but I smell a rat
And I can't wait 'till you're caught in the act

Caught in the act,
It's a matter of fact,
Yeah, yeah!
'Cos oh no, no
You can't do that
No, no
You can't do that

Everybody's got something to hide
Deep down, down inside
But I read your mind
And I can see right through you
Right now
Yeah, yeah!

'Cos oh no, no
You can't do that
No, no
You can't do that
