

Can't Say No

Girlschool

I want to watch
I want to see
Me touching you
You touching me

My eyes are open
My legs they shake
I'm so afraid of
The love we will make

Your body sweat
Shines on my lips
Feel the need in
My fingertips

Oh yeah
I can't say no
Oh yeah
I can't say no

Skin on skin
Your tongue on mine
The deepest kiss
We're two of a kind

A magic spell
I'll weave on you
I feel the heat
You feel it too

Oh yeah
I can't say no
Oh yeah
I can't say no
Can't say no

I want a bite
I want my slice
My piece of cake
I'll take what's mine

Oh yeah
I can't say no
Oh yeah
I can't say no
