Can't Say No

Girlschool

I want to watch I want to see Me touching you You touching me My eyes are open My legs they shake I'm so afraid of The love we will make Your body sweat Shines on my lips Feel the need in My fingertips Oh yeah I can't say no Oh yeah I can't say no Skin on skin Your tongue on mine The deepest kiss We're two of a kind A magic spell I'll weave on you I feel the heat You feel it too Oh yeah I can't say no Oh yeah I can't say no Can't say no I want a bite I want my slice My piece of cake I'll take what's mine Oh yeah I can't say no Oh yeah

Oh yeah I can't say no
