

Girls on Top

Girlschool

Dirty and mean,
peaches and cream
One look will turn your head around
Sugar and spice, everything nice
Now the girls are back in town
Boys will be boys so they say
But we know a better way

Girls on top
Girls on top
Girls on top
Girls on top
we got it, we'll never gonna stop

Roses and blood, leather and studs
Shouldn't push your luck to far
Nasty not cheap, bitter and sweet
We like it just the way we are
So don't call us we'll call you
Something special when we're on the loose

Girls on top
Girls on top
Girls on top
Girls on top
we got it, we'll never gonna stop

Good good girls like us
From London Town we don't mess around
Good good girls like us
You can look but don't touch.
