Should I scream and break away
Or should I tell you

Help me
I think I'm going under
No time to stay

Help me
I think I'm going under
Drive to this trawl
I can't hold down much longer

A pretty lights
I found a city that burns my eyes
Found a scream, I'm break away

I'm gonna tell you

No time to stay
I gotta run (3x)

Help me
I think I'm going under
Drive to this trawl
I can't hold down for long
I can't hold on much stronger

Help me
I think I'm going under
No time to stay
