

# I Told You So

Girlschool

You said you love me  
Believe me true  
My love is not so sweet  
Not sweet for you  
You said you love me  
So full of fire  
You want all of me  
Well, so do I, yeah

I told you so

It's no good for you,  
It's not my crime  
And I'm too fast to be  
Wasting time  
This is just the way  
That it shouldn't be  
And you can have it all,  
But not with me, no

I told you so

I told you so
