

## Kick It Down

Girlschool

A lot of people telling you what to do  
Kick down the door still I gotta prove to you  
I got the safe on my own, but I must get off my pride  
You must keep on going to reach the other side  
Tell you what I'm going to

Kick down, kick it down, kick it out (2x)

Yesterday always used to be the same  
Looking for somebody else to blame  
I'll tell you what I'm going to

Kick down, kick it down, kick it out (2x)
