Girlschool

(Don't you touch me baby 'cos I'm shakin' so much)  
(Don't you touch me baby 'cos I'm shakin' so much)  
(Don't you touch me baby 'cos I'm shakin' so much)  
(Don't you touch me baby 'cos I'm shakin' so much)  
Ah, well there ain't no other woman that makes me feel  
this way  
(Don't you touch me baby 'cos I'm shakin' so much)  
When she comes up close, well I just ain't got a word  
to say  
(Don't you touch me baby 'cos I'm shakin' so much)  
Ple-e-ease don't touch, I shake so much  
Ple-e-ease don't touch, I sha-a-a-a-ake so much

(Don't you touch me baby 'cos I'm shakin' so much)  
(Don't you touch me baby 'cos I'm shakin' so much)  
Ah, well I get so nervous when I see her eyes that  
shine  
(Don't you touch me baby 'cos I'm shakin' so much)  
She looks right through me and the chills run down my  
spine  
(Don't you touch me baby 'cos I'm shakin' so much)  
Ple-e-ease don't touch, I shake so much  
Ple-e-ease don't touch, I sha-a-a-a-ake so much

Ah, well I don't know why she dug her claws in me  
I wanna be a bachelor and fancy free  
Runnin' from the preacher, boy, what a relief  
I'm gonna spend my life a-shakin' like a leaf

Ah, well remembering the first time her ruby lips  
brushed my cheek  
(Don't you touch me baby 'cos I'm shakin' so much)  
I opened up my mouth, but the rest of me just wouldn't  
speak  
(Don't you touch me baby 'cos I'm shakin' so much)  
Ple-e-e-ase don't touch, I shake so much  
Ple-e-e-ase don't touch, I sha-a-a-a-ake so much

(Ah, don't you touch me baby 'cos I'm shakin' so much)  
Why, c'mon baby, don't you touch-a-me now  
Because I'm shakin' so much  
Why, c'mon baby, don't want ya to.....FADE
