Tear it Up

Girlschool

Watch out you know what its about Your gonna find out tonight Play rough gonna make it touch Gonna set the place alight I got news for you An offer you can't refuse Kick the walls down We're gonna have it all tonight If you play my game you won't be the same Track you down and turn you around

Tear it up Playing rough Tear it up (2x)

Break loose stop acting like a moose Always trying to be so cool Take a bite of anything you like All for fun and fun for all When I get through with you You can do what you wanna do You can kick down the walls We're gonna have fun to night If you play my game you won't be the same Kick it down come on let's play around

Tear it up Playing rough Tear it up (2x)

So come on now don't be shy Lets take a walk on the wild side Come on now lets make some noise Tear it up tonight.
