

# Tonight

Girlschool

Time to get away, get about today  
Take the chance and go out on the run  
Been here too long, nothing going on  
Find a place where I can have some fun  
I've had enough and now I'm through  
There must be better things to do

Tonight  
I'm gonna hit the town tonight  
Tonight  
I'm gonna run around tonight

Time to got away, finished with the day  
Make a move and go out with the crowd  
Getting mistake, want to stay up late  
Find a place where the music's turned up loud  
I've had enough and now I'm through  
There must be better things to do

Tonight  
I'm gonna hit the town tonight  
Tonight  
I'm gonna run around tonight  
Alright!

Tonight  
I'm gonna hit the town tonight  
Tonight  
I'm gonna run around tonight  
Tonight  
I'm gonna hit the town tonight  
Tonight  
I'm gonna run around tonight
