Flesh of My Flesh, Blood of My Blood

Uhh
Swiss beats (Uhh uhh)
Nigga, ryde or die (uhh uhh uhh)
DMX what what (uhh uhh uhh)

Ain't no way you're gonna stop my flow
Ain't no way ya niggaz you just don't know
But niggaz is about to go oh no oh no
Ain't no way you're gonna stop my shine
Ain't no way you niggaz wanna stop mine
Ya niggaz must be out yo mind, I don't know why

What the fuck is you niggaz pressin me for I saw more ass than a ho and you stressin the raw If I was testin your jaw, maybe then you would respect me But you can't respect me cuz you dont even know me Nigga check me (come on) I'm that motherfucker that'll put you to sleep, while you sleepin Then die from a hundred feet, you just knew you was creepin Bad decisions lead to last decisions Fast collision, now yo ass is missin (what) Take it over there now you bring it back to the streets Have you forgotten what it means when a dog shows his teeth? Let me break it down for you he's about to attack you Still standin here faggot? You must want me to smack you You ain't been there or done that, fuck is y'all niggaz tellin me I'm the only nigga, walkin the streets with four felonies But peep this, I see shit is hard, niggaz is strugglin Let me ramble on for little while, go back to hustlin

Give it to niggaz just how they give it to, me Hit 'em in a rhyme because I'm a M, C Been a lot of places most niggaz won't, see That's why I'm at a level that y'all niggaz won't, be Let your man hold somethin now he want, more You ain't no fuckin killer what was the front, for It was a time when the world was at your front, door Now they change places niggaz want, raw Niggaz laugh at me and was mad at me Cuz the way life was goin had to be a, tragedy But after me, it's over, I'ma take the whole verse I'm tryin to keep it real that's why I let y'all niggaz go first But you look to get force right in the mouth Didn't appreciate what you got when you got it so if I see it, I'ma tot it Where to hide it you gotta car better drive it The fuck up outta here and hope and pray I don't pull up along side it COME ON

Niggaz don't know so I gotta flip
It seem they've forgotten how dark it could get

Barks like a pit scratch when I hit We both know you pussy but you stay talkin shit What I'ma have to do dog, run up in yo mess Catch you while you comfortable put one up in yo chest One up in yo vest of course pay the hollows And blown away today you just lost tomorrow I'ma go platinum (nah) you gots to be kiddin WHY Make it double platinum, no bullshittin And I'ma stay flippin flows, rippin shows Strippin ho's, gettin dough let me go And nigaz know, who the best is The dog, DMX is the rest is or might as well be helpless I wreck this cuz when I wreck shit I might snatch a niggaz necklace Then go from like midnight to breakfast COME ON
