

# How Much

Git Fresh

Oh baby..  
Studio monkeys  
Studio monkeys

How much can do a nigga gotta spit  
just to get you on my team  
Oh you got me spittin' it  
Oh you got me spittin' it.. yeah

How much change do a nigga gotta spend  
just to get you on my team  
Oh! you got me spendin' it  
Oh! you gon' have me spendin' it

I was in my chevy on the block  
when I saw u walkin' by  
and I had to do a u-turn  
speed up and pull over  
Maybe I can take u out for a date  
we can chat over some wine  
Twenty grand i can blow through  
But I'd rather get to know u  
And I see that your smiling  
doesnt mean that u like what im saying oh baby  
All you gotta is tell me

How much can do a nigga gotta spit  
just to get you on my team  
Oh you got me spittin' it  
Oh you got me spittin' it.. yeah

How much change do a nigga gotta spend  
just to get you on my team  
Oh! you got me spendin' it  
Oh! you gon' have me spendin' it

Your the prettiest thing that I ever seen 'round here for sure  
and that's not a compliment  
that's just the truth (the truth)  
anything you want for me all u gotta do is ask  
cause Im poppin' rubber bands  
no you don't need no other man  
and I see that your smiling  
doesn't mean that you like what I'm saying ooh baby  
all you gotta is tell me

How much can do a nigga gotta spit  
just to get you on my team  
Oh you got me spittin' it  
Oh you got me spittin' it.. yeah

How much change do a nigga gotta spend  
just to get you on my team  
Oh! you got me spendin' it  
Oh! you gon' have me spendin' it yeah

now break down,

break down,  
break down,  
break it down (talk about it)  
ooh yeah..  
and i see that your smiling  
It must mean that u like what Im saying oh baby  
All u gotta is tell me

How much can do a nigga gotta spit  
just to get you on my team  
Oh you got me spittin' it  
Oh you got me spittin' it.. yeah

How much change do a nigga gotta spend  
just to get you on my team  
Oh! you got me spendin' it  
Oh! you gon' have me spendin' it.. yeah!
