

Lovely

Git Fresh

Lean back and ride to this shit from the old school
Lean back and ride to this shit like you suppose to

Now it's the first of the month
And my shift is almost through
There's nothing like working all day
Than coming home to you

And there ain't nothin like
Home Cook Food (Yup)
Candle lit for two (Yup)
Just me and you
And tonight we're gonna
Get brand new (Yup)
Do what it do (Yup)
Just me and you
And Girl you know it's gonna be

Lovely,
I cannot pretend, I just wanna spend more time with you
Lovely, the way you keep it tight
You know you what I like
You know it's gonna be Lovely
Ain't nothin I won't give
To show you I'm for real
I got you feelin so good all inside
Tonight is all about you

Now don't you worry at all (At All)
All the bills been paid on time (Bills been paid on time)
What's on your mind girl, let it off
Lay back and just unwind

Tonight I'm gonna
Massage on your back (Yup)
With the hot wax (Yup)
How you like that?
And all you gotta do is
Baby just relax (Yup)
Hot bubble bath (Yup)
Would you like that?
Girl you know it's gonna be

Lovely,
I cannot pretend, I just wanna spend more time with you
Lovely, the way you keep it tight
You know you what I like
You know it's gonna be Lovely
Ain't nothin I won't give
To show you I'm for real
I got you feelin so good all inside
Tonight is all about you

Clap your hands if you feelin your girl like that
Say Mmm Mmm Mmm Mmm
Clap your hands if you feelin your girl like that
Say Mmm Mmm Mmm Mmm

All the ladies
Clap your hands (Clap your hands)
If you feelin your man
Say Mmm Mmm Mmm Mmm
All the ladies

If you feelin your man
