

What I Need

Git Fresh

She aint for me, You the one I need
She was a model chick, pretty thick, in them jeans
Walking out the store on 25th, excuse me.
Can I tell you what my name is?
You looking like the kind a girl I wanna get with.
She ask me what kind of car I drive.
I said the V12
The all white with the chrome an keep it detailed.
And i thought that she was the one for me
To please her I started actin' differently
But when i met you,
I felt like i could be myself
You, showed me lovin' like nobody else
You, I never had to ask for nothin'
You, with her it seemed like it was always somethin'

Now another choice i should of made,
Should of been with you what can I say.
So would you be with me?
Ill be yours eternily

She may have what I want
But your the one I need
She may look like the girls in the video
But your the one for me
I used to think that she was so fly
But if you ask why,
Really couldnt tell you why
An its so clear to see
She aint for me, cause your the one I need

You told me before, I didnt listen
Shes said she would be playing around, I didnt pay attention
I tried to make it look that we were doing fine,
I didnt wanna tell myself, I wasted so much time

Now another choice that I should of made.
Should of been with you, what else can i say?
So will you be with me?
Ill be yours eternily.

She may have what I want
But your the one I need
She may look like the girls in the video
But your the one for me
I used to think she was so fly
But if you ask why,
Really couldnt tell you why
An its so clear to see
She aint for me, cause your the one I need.

From the bottom of my heart,
I will make a change, i swear i wont put no one before you this time
I wanna make a brand new start
So please dont walk away
Im not in love with her, an what really matters is you
its you, its you.

She may have what I want
But girl your what I need
This girl is not for me
Your the one I need

She may have what I want
But your the one I need
She may look like the girls in the video
But your the one for me
I used to think, she was so fly
But if you ask why,
Really couldnt tell you why
An its so clear to see, she aint for me
Cause your the one I need.
