

Everything Is Gonna Be Alright

Giuni Russo

Everybody's gonna say that everything is alright
'Cause if they don't you know there's gonna be a fight
I got a little thing for you
Sorry girl and there's nothing to do
Everybody's gonna say that it's alright
Everybody's gonna say that it's alright, yes
Do Do Do Do Do
Do Do Let's
Do Do Do Do Do
Do Do
Loving is a word that means a whole lot of things
Yes it does now
People say it and they don't know how much pain it brings
When I hold you in my tender arms
I can feel I got your little charms
Everybody's gonna say that it's alright
Everybody's gonna say that it's alright, yeah
Do Do Do Do Do
Do Do Let's
Do Do Do Do Do
Do Do
Yeah, Yeah, Yeah, Yeah, Yeah
I got a little thing for you
Sorry girl and there's nothing to do
Everybody's gonna say that it's alright
Everybody's gonna say that it's alright
Do Do Do Do Do
Do Do Let's
Do Do Do Do Do
Do Do
Everybody's gonna say that it's alright
Everybody's gonna say that it's alright
Yeah, Yeah, Yeah, Yeah, Yeah
I got this thing for you
Sorry girl and there's nothing to do
I got this thing for you
Sorry girl and there's nothing to do
Yeah, Yeah, Yeah, Yeah, Yeah
I got this thing for you
