

Give Me One Reason

Giuni Russo

What are we here for?
Where are we going?
Are we aware of the love we're not giving?
Should we be giving way to him?
Could we be living life in sin?

Give me one reason
Give me one answer
Tell me the story
Open the book wide
Am I a hopeless sinner?
Knowing I'm wrong
It's so hard to be strong
Tried to be good
Did everything I could

Take me away from
All that is evil
Show me a land where
People are equal
Life could be heaven here on earth
We should be happy
Free from pain

Give me one reason
Give me one answer
Tell me the story
Open the book wide
Am I a hopeless sinner?
Knowing I'm wrong
It's so hard to be strong
Tried to be good
Did everything I could

Give me one reason (Give me one answer)
Give me one reason (Give me one answer)
Give me one reason (Give me one answer)
Give me one reason (Give me one answer)
Give me one reason (Give me one answer)
Give me one reason (Give me one answer)
Give me one reason
