

## Keep the face

Gladiator

To be is more than to live  
Life is short and you  
be more than live  
all fanatic slaves  
You ain't like then  
keep on, keep on, keep the face

Keep the face  
Be still yourself  
Don't stop, don't stop breath  
what all you yet can be  
speeder, speeder, speeder

Keep away of the role  
was born senseless  
No one knows what for  
by my praying jump out  
I feel black crowes  
Keener, keener, keener
